MEMORANDUM FOR THE RECORD

SUBJECT: Agency Retirement Regulations

1. During the course of a meeting yesterday with Mr. William Thomas, Bureau of the Budget examiner, Mr. Thomas expressed the Bureau's (i. e. Mr. Amory's) desire to have an opportunity to examine very carefully the regulations which would implement the Agency's retirement bill. It was explained to Mr. Thomas that the regulations were under close review at the present time by the Director, and that at the conclusion of this review and prior to forwarding to the Congressional Committees, The Bureau of the Budget would be given full opportunity to review and comment on the regulations from the Executive Office point of view.

2. Mr. Thomas was also informed that it was our understanding that the Legislative Counsel of this Agency had been in touch with the Legislative Counsel for the BOB. Mr. Thomas indicated that this was correct. However, he stated that he wished to lean heavily on this office to assure that Mr. Amory and he had an opportunity to examine these regulations in some detail in concert with the Legislative Reference Division of the Bureau. I assured him that we would make the regulations available to him.

3. Subsequent to this I conferred with Mr. Houston and received his assurance that at such point as the regulations were ready to go forward, they would be provided to the BOB, specifically to Mr. Amory's office, for review.
